

HELP LICENSE NDS IN NEW YORK – ATTEND THE NYANP CONFERENCE VIRTUALLY

The NYANP needs 100 people to register for their October 2 conference in order to keep their lobbyist, who has been incredibly effective this year! Right now they are 50 NDs shy, with only two weeks to go.

Everyone who registers will receive a copy of the audio recordings, so even if you can't join live, you will still receive the valuable information *and* 8.25 CE credits!

Out of state members use the code NYANP to get 20% off the member price. Register here: <http://www.nyanp.org/conference/conference-registration/>
