

The WNDA is actively seeking speakers for the 2017 conference on March 25th at the Pyle center in Madison, WI.

The theme is "Food as Medicine". All types of practitioners are encouraged to apply. We are interested in topics such as SIBO diets, cancer diets, weight loss plans, food allergy and sensitivities, foods that heal particular diseases, testing options, and anything that may pertain to food and health. Please contact Whitney to turn in your abstract or for more information at secretary@wisconsin-nd.org

Compensation

- Speakers will receive \$100 plus full conference and gala registration.

Guidelines

- Your presentation should be factual and report significant research findings, clinical procedures and results, techniques or topics.
- All presentation must contain detailed treatment information.
- All presenters are responsible for their own expenses, including travel, hotel and any other costs incurred by conference participation.
- All speakers must provide information on any real or potential conflicts of interest and disclose any affiliations or financial interests to the session attendees.

The following must be included in your proposal. Incomplete submissions will not be reviewed.

Contact Information

- Presenter(s) full name/degrees
- Primary Contact Name (if different from above)
- Address, City, State and Zip Code
- Day time telephone
- Email address

Presentation Info

- Presentation title
- Short description of presentation (up to 100 words) and brief outline
- Min and max time request
- 3-5 learning objectives (bullet format)
- Mention of whether or not pharmacy discussion will occur during the presentation. If pharmacy discussion will be occurring, please indicate the percentage of your presentation that will discuss pharmaceuticals.
- Bio (up to 150 words) for each presenter. Please include degree granting institution(s).
