→ [President's Message: Feeling That Post-Convention Glow](#) By Lise Alschuler, ND, FABNO

It is several weeks now since our annual AANP Convention in Tacoma. And, yet, I still feel warmed by it. There is something so incredible about a gathering of hundreds of passionate, intelligent and like-minded people who actually like being with each other.

Read the rest of Lise's article at the AANP's blog, "[Physicians Who Listen.](#)"

→ [News From the Office: A Naturopathic Remedy For Health Care Reform](#) By Karen Howard

With the health care debate at a fever pitch, there is no time like the present for our naturopathic community to unite in voice and action. I am often asked what one person, one doctor, one professional organization can do to impact this Beowulf of an epic legislative battle. [Read more.](#)

→ [Alliance Update: The National Foundation of Women Legislators](#) By Michelle Clark, ND, Alliance Chair

The AANP plays an active role at the National Foundation of Women Legislators, with Karen Howard holding a seat on its Board and naturopathic physicians in attendance at their annual conference.

Working with this bipartisan organization of elected officials from all over the country is enormously rewarding. Our relationship with NFWL and its value are best summed up by Dr. Rena Bloom below. No doubt the results of this work and the service of our volunteers will have enormous impact on 2010 legislative efforts. [Read more.](#)

→ [New Practice Development Tools](#)

The AANP has launched a library of resources and tools to help you start and grow your practice. Do you have questions about how to increase revenue through coding? Recruit and retain more patients? Leverage your AANP membership to enhance your practice? The AANP is here to help.

To view the new resource library, log in to www.naturopathic.org with your username and password, then click on "Practice Development" in the Members section of the Web site.

→ **Congratulations to AANP's Award Winners!**

Members gathered at the AANP Convention to recognize those individuals and companies that have made valuable contributions to the field of naturopathic medicine through their leadership, integrity, and support of the profession. [Read about the winners.](#)

→ **Members in the Spotlight - Dr. Jane Gultinan**

Bastyr University is pleased to announce the appointment of Jane Gultinan, ND, to dean of the School of Naturopathic Medicine. Dr. Gultinan has been a practicing naturopathic physician for twenty-three years, after graduating from Bastyr University in 1986. [Read More.](#)

→ **AANP's New Naturopathic Medicine Journal Launches**

The first issue of the Natural Medicine Journal, the official journal of the AANP, is out! Check your inbox for this revolutionary new e-journal which will be emailed to you monthly. Don't forget to check the content-rich website, especially the "Clinical Insights" and "Abstracts & Commentary" sections of the site. [Click here to visit the web site now.](#)

→ **Giving Back!**

Vital Choice Wild Seafood & Organics is offering all first time customers a 15% discount when they order through www.naturopathic.org/vitalchoice.

This is a great offer - providing savings to you, your friends and patients. *Plus, Vital Choice is giving AANP a portion of all proceeds.*

In the next few weeks, look for your letter from Vital Choice with postcard flyers for you to give to your patients and colleagues.

→ **AANP Members Support National PR Campaign**

Thank you for your generous contribution to fund the AANP's national PR campaign. Members raised \$18,000 to fund our efforts to educate the public about naturopathic medicine, and Gaia Herbs generously gave an additional \$10,000. Finally, a bold nine Bastyr students pledged to raise \$18,000 for the AANP in 2024. [View their IOU.](#)

→ **AANP Volunteer Positions Available**
